

YOUR BABY'S CIRCUMCISION IN 5 EASY STEPS!

1. Find A Mohel You Trust

You are having a baby boy, and you'd like to have him circumcised. I may be the mohel that's right for you, feel free to read my testimonials and website.

2. Phone Call / Consultation

You call me! We will talk about the experience, the procedure, advantages and disadvantages and any other questions you may have.

3. Scheduling

CONGRATULATIONS! You just had your baby. The third person you text is your Mohel! Letting me know early, will enable me to schedule your circumcision in a time convenient for all of us.

4. The Circumcision

**It's that big day. I arrive at your home. 1)My initial tool setup.
2)We go over the procedure so that you feel educated and informed.
3)We go through the aftercare.
4)I say a short prayer.
5)The procedure, (yes it really is over in less than two mins)
6)How is everyone ? I'll hang around a little, to ensure everyone is ok, and answer any questions**

5. Aftercare and Follow Up

Follow up call to see how you and baby are. Text me with any questions.
